Pursuant to 37 C.F.R. §§ 1.56 and 1.97(i), Applicants submit the documents on the attached listing and request that the documents be made of record and placed in the file of this application.

Each document listed in the Information Disclosure Statement was cited in a Notification for Reasons for Refusal from the Japanese Patent Office in a counterpart Japanese patent application. A copy of the Notification along with an English-language translation thereof are enclosed. Copies of the listed foreign and non-patent literature documents along with English-language translations of abstracts thereof are enclosed. Copies of the U.S. patent publications are not enclosed.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." Applicants reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,
